

BLOODY MARY

Bloody Mary

Bloody Mary is a great brunch beverage with or without alcohol. Tasty and many variations. Make it as spicy as you like. Here is my favorite recipe.

4 cups tomato juice (I prefer Sacramento)
2 celery stalks with leaves and extra for garnish
4-5 dashes of Tabasco sauce, adjust to your taste
1 TSP prepared horseradish, adjust to your taste
1/2 TSP celery salt
1 TBLSP grated onion, Vidalia if it's available
1 TBLSP Worcestershire sauce
1 cup vodka (optional)
the juice of one whole lemon, extra for garnish
Spanish stuffed olives for garnish
Rub the rim of the glass with lemon and dip into a spicy dry seasoning such as Prudhomme's Magic or Emeril's spices, optional

Place all ingredients, except the garnish, into a blender and puree. Pour into a tall glass with ice and garnish as desired.
